Creating your essay is a vital part of your application. Please answer the following questions in your chosen format (i.e. PowerPoint, Word document, video, audio recording, etc.)

1. In your own words, describe the PATHS Program.

2. What sort of work do you think a Direct Support Professional does?

3. Why do you want to be a Direct Support Professional (DSP)?

4. How do you feel that the PATHS program will prepare you for your intended career as a DSP?

5. How do you feel that the PATHS Program will prepare you for success in general?

6. What part of the PATHS Program do you feel will be the hardest and why?

7. What are you most excited about in the PATHS program and why?

8. Is there anything else you want us to know about you that can help us decide if the PATHS program is right for you?
